

## IonCleanse®

Thank you for including the *IonCleanse* unit into your health maintenance program. The *IonCleanse* is intended to support herbal, homeopathic and vitamin detoxification protocols and procedures. Used properly, the *IonCleanse* provides a comfortable and relaxing way to rid the body of toxins without precipitating healing crises and Herkheimer's reactions.

The *IonCleanse* is not intended for the treatment or prevention of any disease or health condition. The unit does not include any therapies or techniques that are regulated by any state-licensed health care profession.
